

Addition & Subtraction Races

Each person will get a card. When the game starts, addition & subtraction facts will be shown on the board. Find the answer, and if the sum or difference is on your card, mark it with a counter (you can only mark **ONE NUMBER AT A TIME**-even if you have two of the same numbers). The first person to mark all 9 numbers gets a point for their group.

188 - 188

$$1 + 1$$

18 - 1

7 - 6

7 + 2

2 + 0

1 1 + 4

$$7 + 1$$

$$8 - 8$$

10 + 3

$$7 + 7$$

10 + 7

5 - 5

$$5 + 5$$
